

Passing the Farm to the Next Generation

The farm succession workshop will be presented by Allan Vyhnalek, an extension educator emeritus, for farm and ranch transition and succession for Nebraska Extension, and Brandon Dirkschneider, a Certified Financial Planner and farm succession coordinator with Insurance Design Management in Omaha. They will offer tools and strategies to effectively plan, start and complete estate plans, offer background on common mistakes during the process and highlight essential considerations for creating and carrying out estate and succession plans.

“The common mistake is that most know that they need an estate plan, but never get around to putting a plan into a legal document,” Vyhnalek said. “Over several years, at the end of the workshop, the most common comment is that the participants wished that they had started learning the steps to start and complete a plan sooner.”

The workshop will offer practical ideas and strategies that are valuable when putting together the specific action ideas to carry out the overall estate plan. Lunch will be served. **Keyword: Farm**
